

## WHAT IS KIWANIS?

Kiwanis is a global organization of volunteers dedicated to changing the world one child and one community at a time.

### OUR GOLF TOURNAMENT

This year marks the 33rd Kiwanis Club of Third District Golf Tournament. Each year we seek to maximize the funds we raise to support the numerous varied projects of our club.

In keeping with Kiwanis International's Major Emphasis of "Serving the Children of the World", we will direct our efforts and funds derived from this year's tournament to those projects which directly benefit young people.

Examples of such programs are playground construction around the city, tutoring at Banneker Elementary, school supplies and picnic for Angel's Place, projects supporting Children's Hospital and Ronald McDonald House, and an undertaking to place Automated External Defibrillators in Schools.

We will continue to sponsor the Key clubs at Brother Martin, Dominican and Lusher High Schools, Terrific Kids and BUG program at Banneker and R. J. Vial and Circle K at Loyola University. Our projects are wide spread and varied. We continue the scholarship programs at Brother Martin and Dominican.

## REGISTRATION FORM
